Database Options for OT 653

These are all available on the Lister Hill Library Databases page: [www.uab.edu/lister/databases](http://www.uab.edu/lister/databases). This handout is meant to supplement the OT 653 guide ([libguides.lhl.uab.edu/ot653](http://libguides.lhl.uab.edu/ot653)), which introduces and explains the difference between these databases. The checkboxes under each database provide a list of features to look for as you review each one.

**Cochrane Library**
- Cochrane Library guide: [libguides.lhl.uab.edu/cochrane](http://libguides.lhl.uab.edu/cochrane)
- Different categories of results (i.e., Cochrane Reviews, Other Reviews, & Clinical Trials)
- Accessing full text of Cochrane Reviews, Other Reviews, and Clinical Trials

**OTseeker**
- Advanced Search limit options (in most cases will not need to apply any)
- RCT ratings

**PubMed**
- PubMed guide: [libguides.lhl.uab.edu/PubMed](http://libguides.lhl.uab.edu/PubMed)
- Search limit options (filters)
- Clipboard
- Email citations/abstracts to yourself
- Search history (under Advanced)
- Location of Article Linker button
- UAB full text filter
- My NCBI account
- MeSH Database

**CINAHL**
- CINAHL guide: [libguides.lhl.uab.edu/CINAHL](http://libguides.lhl.uab.edu/CINAHL)
- Search limit options (e.g., Peer Reviewed, etc.)
- Folder
- Email citations/abstracts to yourself
- Times Cited/Cited By
- Search history
- Location of Article Linker button
- My EBSCOhost account
- CINAHL Headings

**Scopus**
- Scopus guide: [libguides.lhl.uab.edu/scopus](http://libguides.lhl.uab.edu/scopus)
- Search limit options on left of a search results list
- Search History (bottom of main search page)
- My List (like PubMed’s Clipboard)
- Personal account (login top right)
- Location & different look of Article Linker
Dissertations
- Databases page (www.uab.edu/lister/databases) > Dissertations & Theses
- LHL’s Grey Literature guide: libguides.lhl.uab.edu/GreyLit (click Dissertations tab)

Databases in Other Related Disciplines (also on Databases page):
- ERIC - education
- PsycINFO - psychology

Don’t forget you can also refer to the “help” section of any database. If you get stuck, just ask!
