Brainstorming for Images

What is your topic?
_________________________________________________________________________________________

Who is your audience?   ______________________________________________________________________

What is your purpose?   ______________________________________________________________________

What is your venue?   _______________________________________________________________________

Visualize the image you would like. What words describe it?
_______________________________________  __________________________________________
_______________________________________  __________________________________________
_______________________________________  __________________________________________

What are some other keywords about your topic? Don’t just think about your topic, but think of words associated with it.
_______________________________________  __________________________________________
_______________________________________  __________________________________________
_______________________________________  __________________________________________

Now search. Did you find what you needed? If not, what words could make your search better?
_______________________________________  __________________________________________
_______________________________________  __________________________________________

You will need to know where you got the image in order to cite it!
